PROFESSIONAL SUMMARY

B.Tech graduate in Electronics and Communication Engineering with hands-on experience in web development, data analysis, and game testing. Proficient in HTML, CSS, JavaScript, and GPT-assisted C# scripting. Recognized for QA contributions and mod development in the sandbox game WorldBox. Completed a data analytics virtual internship with AWS Academy, gaining exposure to data handling and cloud tools. Seeking opportunities in web development, data analysis, or QA testing roles.

TECHNICAL SKILLS

- Languages: HTML, CSS, JavaScript, C# (GPT-assisted), SQL (basic), Python (basic)
 - Tools & Platforms: Visual Studio Code, Git, GitHub, GPT-4
 - Concepts: Web Development, Data Analysis, Game Modding, QA Testing, Prompt Engineering
-

CERTIFICATIONS

- AWS Academy Graduate – Cloud Foundations
 - AWS Academy Graduate – Data Analytics
 - Microsoft Certified: Azure Fundamentals (AZ-900)
 - Microsoft Certified: Azure Data Fundamentals (DP-900)
 - Microsoft Certified: Azure AI Fundamentals (AI-900)
-

PROFESSIONAL EXPERIENCE

Quality Assurance Intern – WorldBox

August 2023 – April 2025

- Participated in closed beta testing for the sandbox game WorldBox.
- Reported bugs and gameplay issues, contributing to development iterations.
- Received official in-game credit for QA contributions.

Data Analytics Virtual Intern – EduSkills x AWS Academy

May 2023 – July 2023

- Completed projects simulating real-world data analytics workflows.

- Gained exposure to data handling, analytics pipelines, and AWS cloud tools.
 - Internship conducted in partnership with AICTE and AWS Academy.
-

PROJECTS

Unit Mod for WorldBox

[GitHub Repository](#)

- Developed a large-scale custom mod using the WorldBox modding API.
- Added new mechanics and features through GPT-assisted C# scripting.
- Mod was used by players prior to deprecation from a major game update.

E-Commerce Website (Practice Project)

[GitHub Repository](#)

- Built a simple e-commerce site using HTML, CSS, and JavaScript.
 - Focused on layout design and basic cart functionality.
 - Project developed for learning purposes.
-

EDUCATION

Bachelor of Technology (B.Tech) – Electronics and Communication Engineering

KL University, Andhra Pradesh

Graduated: November 2024
